What is the iDuck Network?

The iDuck Network is a team of students from Havana Junior High School that develops weekly newscasts to share news & events from the school with our parents and the community. They create their own news segments, write their own scripts, direct taping sessions, and handle all the other tasks involved in creating their weekly newscast. From start to finish, the students take the lead in the process!

What would donating to the iDuck Network do for my business?

Donating money or services to the iDuck Network would not only potentially bring in customers, but it would show that your business is in full support of our students' education in technology and the social skills gained from the team effort that it takes to run our show.

How will the iDuck Network recognize my business for its donation?

We will recognize your business on our Helping Hands page on our website. For a \$40 donation, we'll create an ad square that will be displayed on one of our website pages for a month. For a \$50 donation, we will recognize your business as one of our newscast sponsors.

What types of donations do you accept?

Businesses can donate money or services to the network. Cash donations will be used to purchase equipment and software we need to produce shows and make them available on our website. Donations of services, such as food or discount coupons, will be used as prizes for our weekly contests for the students or raffles to raise money for network projects.

How do I contact the network?

Send an e-mail to iducknetwork@havana126.net or contact Mrs. Tracy Trimpe at the Havana Junior High School at 309-543-6677.

The image shows a screenshot of the iDuckNetwork.com website. At the top, there is a logo for a duck and the text "iDuckNetwork.com" with a tagline "School news by the students for our parents & the community". Below the logo are navigation links: "HOMEPAGE SUPPORT US", "WEEKLY NEWSCASTS SPECIAL FEATURES", and "CONTACT THE NETWORK ABOUT THE NETWORK". The main content area features a "Weekly Newscast" section with a video player showing two female hosts. To the left and right of the video are "OUR SPONSORS" sections, including logos for "Havana Livestock, Green Valley, Hamlet & San Jose", "Havana National Bank", "The Science Spot", "62644.com", and "IGA Key's Foods". A yellow starburst graphic is overlaid on the bottom right of the screenshot, containing the text: "Donate today to have your business featured on our website!".
